This program was designed to give kids an opportunity to advance their golfing ability to the next level. This program will introduce a competitive edge, which will begin to put the player under the same types of pressure they will begin to experience throughout their high school and/or tournament career. Each day begins with a lesson/warm up session and will be followed by them teeing off for a 9 hole round. This program offers 8 – 9 hole rounds and 8 golf lessons. To be able to participate the student must be able to play 9 holes of golf with little supervision.

Other notes -

June 18th – August 31st junior golf participants receive free afternoon golf with a paid adult.

July 23rd – 4 – 12 year old programs will receive a certificate of course completion along with a free lunch and drink ticket to be used the day of course completion.

We play in any non-threatening weather. Lessons will still be held if we can't go outside, we go over rules, etiquette, watch a golf movie and/or set up mini golf inside.
