This program was designed to give kids an opportunity to advance their golfing ability to the next level. This program will introduce a competitive edge, which will begin to put the player under the same types of pressure they will begin to experience throughout their high school and/or tournament career. The program is designed to give experience by simulating what a tournament day would be like. Each day begins with a warmup session and coaching, followed by teeing off for a 9 hole round.

To be able to participate the student must be able to play 9 holes of golf with little supervision.

Other notes -

June 15th – August 31st junior golf participants receive free afternoon golf with a paid adult.

July 20th – 4 – 12 year old programs will receive a certificate of course completion and all programs will receive a free lunch and drink ticket to be used the day of course completion.

We play in any non-threatening weather. Lessons will still be held if we can't go outside, we go over rules, etiquette, watch a golf movie and/or set up mini golf inside.

10 -15 year old program & On Course playing day participants will receive a 9 hole voucher and range coupon to be used by the end of the year in the event of any cancellation.

All students are required to participate in a positive and safe manner. Students who do not comply may be removed from class and/or from the program with no refund.
